Panel 1: Closer-in view of the UU Minister, showing part of her at the lectern.

UU Minister (1): But as has been shown by scientific research - including especially that research made possible by the women we commemorate today - we can afford such a retreat into ignorance no longer.

Translation (1): Sed kiel montriĝas de scienca esplorado - inkluzive speciale de tiu esplorado, kiun ebligis la virinoj, kiujn ni hodiaŭ rememorigas - ni ne plu povas elteni la retiriĝon en nescio.

Panel 2: Symbolic panel, a human hand reaching out from one side of the panel, tentacle from the other side.

CAPTION - UU Minister speaking (2): The oceanic depths contain things far beyond any of our previous understandings.

Translation (2): La oceanaj profundaĵoj enhavas aĵojn multe trans niaj antaŭaj scioj.

Panel 3: View scanning across a group of mourners seated in the audience.

CAPTION - UU Minister speaking (3): The future wellbeing of humanity - perhaps the very future existence of humanity - depends on the advancement of our knowledge.

Translation (3): La estonta bonfarto de la homaro - eble la vera estonta ekzistado de la homaro - dependas de la antaŭenigo de niaj scioj.
