

PAGE 85 (Single panel, color)

(Note: on this and some following pages the Creature is now housed in a giant cylindrical glass tank, similar in construction to one you can see at [redacted]. In the middle of this giant tank is some sort of coral structure inside of which the Creature (mostly) lurks.

Single panel: View of the giant tank as described above.

CAPTION - PSEUDO-NARRATION (1): The Creature is brought to the Energexecon Marine Center in Corpus Christi, Texas, where it is exhibited and studied.

Translation (1): La Kreitaĵon oni venigis al la Marcentro Energexecon en Corpus Christi, Teksaso, kie ĝi estas en ekspozicio kaj pristudata.
